

Important information to all residents

Based on the current SARS-CoV-2 (Corona) situation we are forced to give you the following rules:

- Keep a distance of at least 2 meters from the residents, the helpers and the employees of the accommodation
- Avoid physical contact (also shaking hands)
- Clean the kitchens and sanitary facilities before and after each use
- Observe the separate rules for mail delivery and interviews in the administration office

This prohibition applies with immediate effect until 19.04.2020. If the situation changes, this order may be extended or shortened.

The measure is intended to protect all residents.
